Profile

Financial analyst with five years of experience in equity research, valuation and budgeting. I build clear, defensible models and turn them into recommendations that management and investors can act on.

Experience

Financial Analyst

Company Name | 2024 - Present

- Built discounted cash flow models for six listed retailers and stress-tested them across three rate scenarios, finishing 18% ahead of benchmark.
- Redesigned the annual budget as a driver-based model, cutting month-end close from nine days to four.
- Created a Power BI credit risk dashboard that helped reduce overdue balances by 23%.

Junior Analyst

Company Name | 2022 - 2024

- Reviewed three years of target financials in a merger due diligence and flagged working capital risks, leading to a RM 1.2m price adjustment.
- Prepared monthly variance reports for senior management across four business units.

Audit Associate

Firm Name | 2021 - 2022

- Performed audit testing and reconciliations for mid-sized clients in retail and manufacturing.

Education

BSc Finance

Your University | 2017 - 2021
